

BLINDSKILLS, INC.

- Is a non-profit organization linking visually impaired people to professional resources and other support systems in their communities. It provides consultation regarding all phases of Braille education, product availability, and special technology.
- Provides an audiocassette entitled WHERE DO I GO FROM HERE to newly blind people, their families and friends. The tape assists in the transition from full sight to limited sight. Our toll-free number, 800-860-4224, is available to anyone in need of individual consultation.
- Sponsors a local support group for people who are losing their sight. The group discusses the skills, feelings, attitudes, joys, and problems inherent in living without sight.
- Publishes DIALOGUE, a quarterly magazine for blind, newly-blind and visually impaired readers. It is published in Braille, large print, 4-track audiocassette and email formats. Subscribers of all ages read DIALOGUE to enhance coping skills, to learn about blindness-related resources, and to share experiences of daily living with blindness.

Come join us for fun and bowling at Town and Country Lanes in Keizer. We look forward to your participation in the 3rd Annual Blindskills Eyebowl, a charity bowl-a-thon whose proceeds will support Blindskills in serving the visually impaired. Please contact Keirsten Eagles at 503-881-5486 to schedule your exact start time (1 pm, 2:30 pm, 4 pm or 5 pm) on Saturday, February 25th.
